

**SURFSKI**

Epic Kayaks offers a complete line of high performance, composite surfskis for the beginner paddler to world champions. These craft are designed and built to perform efficiently and safely on flatwater as well as in huge ocean conditions.

The **Epic V6** is our most stable surfski and includes storage hatches to make it the most accessible and versatile surfski on the market. It also features our TrackMaster Plus retractable carbon rudder.

The **Epic V8** is fast, yet extremely stable, and is a surfski that most paddlers should be able to hop right onto and paddle away. It is the perfect boat for someone starting in fitness or ocean paddling.

Our lineup continues with the popular **V10 Series** of boats, on through to the elite level **V14** and the **V10 Double** tandem surfski.

Epic Kayaks has a surfski for paddlers at all skill levels!
